

NEW MEXICO JUNIOR LIVESTOCK FOUNDATION EVENING OUT WEST

CAP AUCTION

- Cap auction takes place **BEFORE** the Ticket Drawing.
- 30 Caps with a block of 10 numbers tied to each cap are auctioned off - *for example; Cap 1 = Tickets 1-10, Cap 2 = Tickets 11-20, and so on.*
- The total amount of money collected after all the 30 caps are auctioned, minus 30% which goes to NMJLF, reflects the ***Balance** used for the winnings in the tickets drawn.
- As tickets are drawn in the sequences listed below, check to see if the number posted on the video screen matches any of the ticket numbers in the cap you purchased in the auction.

Total \$ Collected	\$60,000
30% Paid to NMJLF	<u>\$18,000</u>
*Balance	\$42,000

- **Please Note:** The caps can be bid on individually or as a group. If a group pools their money together to buy a cap, they must be sure to designate only one person to pay NMJLF. If the group wins there will be only one check written, one check per pay-off.

Ticket Drawing	You win % of total *Balance collected after all caps are auctioned off.
Sequence Tickets are drawn in	Using tickets in caps you won in the cap auction . . . If any of the tickets match the number of the event ticket drawn you win a % of the total *Balance collected at the end of the cap auction.
298th	-
299th	-
